ℹ How we process cases

This time range is how long it is taking USCIS to process your case from the date we received it. We generally process cases in the order we receive them, and we will update this page each month. The estimated time range displayed is based on data captured approximately two months prior to updating the page. Please note that times may change without prior notice.

We have posted a "Receipt date for a case inquiry" in the table below to show when you can inquire about your case. If your <u>receipt date (./more-info)</u> is before the "Receipt date for a case inquiry", you can submit an "outside normal processing time" service request <u>online (https://egov.uscis.gov/e-request)</u>.
